Bhitai Dental & Medical College  
(Dental Section)

**Dr. Ghulam Mustafa**  
Chairman Bhitai Trust & Managing Trustee  
Bhitai Dental & Medical College  
(Dental Section)

## Message

“Education is the most powerful weapon that you can use to change the world” A very moving quote from a man named Nelson Mandela.

Like Mr. Mandela, we, the people at Bhitai Dental and Medical College (Dental Section) also had a dream. A dream of creating such an institute that makes a life-changing difference for students in the field of medicine, enhancing their capabilities according to the international standards hence providing them a better learning opportunity.

I can now say with assurance and pleasure that Bhitai Dental and Medical College (Dental Section) has created new opportunities for Dental and Medical education in Interior Sindh. In addition, this could not have been possible without the commitment and efforts put in by the faculty staff.

I hope in future that with the dedicated support of our educationists and the enthusiasm of our up-coming generation, we can expand the horizon of Bhitai Dental & Medical College (Dental Section) to various fields of health sciences like nursing, pharmacy, physiotherapy and biomedical engineering.

I wish all the past, present and future students of Bhitai Dental & Medical College (Dental Section) the best of luck.

## Introduction

### Bhitai Dental and Medical College (Dental Section):

Bhitai Dental & Medical College (Dental Section) formed under the umbrella of Bhitai Trust aims to fulfill the growing demand of health care services in the region, provide quality treatment in the disciplines of dentistry / medicine at a central location such as Mirpurkhas which acts as a core between diverse cities of Sindh. With **80 seats** since 2011-12, three batches have been passed out with students of our college taking top positions in Liaquat University of Medical and Health Sciences.
